SUMMARY :

I am a highly motivated Full-Stack Developer with a strong foundation in web and software development. Proficient in both front-end and back-end technologies, I specialize in building scalable, efficient and user-friendly applications. Passionate about leveraging the latest industry trends, I continuously strive to enhance performance, security, and user experience. With a keen eye for detail and a problem-solving mindset. I am dedicated to delivering high-quality software solutions that drive innovation and meet user needs effectively.

EDUCATION :

B.Com (General) – Thiru . A . Govindhasamy Government Arts College | CGPA-7.93 | Tindivanam | 2021-2024

HSC– St. Joseph of Cluny Matric Hr. Sec. School | 88 % | Tindivanam | 2020-2021

SSLC- Cooshal Chand Higher Secondary School | 80% | Tindivanam | 2018-2019

SKILLS :

- Language : Java
- Front End : Html, Javascript, React
- Database : SQL
- Framework : Spring Boot

PERSONAL DETAILS :

- Date of Birth : 12/11/2003
- Gender : Male

CERTIFICATE COURSE :

Completed Java, Spring Boot, React and SQL at Maasmind, Chennai.

Place :

Date:

PROJECTS :

- *Online Food Ordering Application* :

  Developed a full-stack Online Food Ordering Application using React.js for the front end, Spring Boot for the back end, and MySQL for data management. Designed a responsive and user-friendly UI with Bootstrap for smooth navigation and an engaging user experience. Implemented secure authentication, real-time order tracking, and an intuitive cart management system to enhance the ordering process. Integrated the Stripe payment gateway for secure transactions. Utilized MySQL Workbench for efficient database management and developed the application using Spring Tool Suite (STS 4) and VS Code for streamlined backend and frontend development.

- *Personal Portfolio* :

  Developed a responsive personal portfolio website using React.js to showcase projects, skills, and contact details with an interactive UI. Designed a visually appealing layout with smooth animations and dynamic routing for seamless navigation. Optimized performance for fast loading and a great user experience. Set a solid orange background for the "About Me" section, creating a clean and professional look. Built the project efficiently in VS Code with clean, maintainable code.

DECLARATION :

I here by declare that the above given data are true and correct to best of my knowledge.
